

Cell Phone Drawing

Talk about at least (2) apps that gave you the biggest challenge (and what you did to work around those challenges). Name (1) app that you think came out the best (and explain why). Lastly, talk about how you used Pathfinder Tools, Shape Builder, or Eraser in creating some of your shapes.

On the previous slide, show a comparison between the JPEG phone you originally downloaded from the web AND the JPEG version of your phone drawing.

Adobe Illustrator
8.5 x 11 inches
Color Mode: CMYK
