Welcome to my Graphics for Gaming Portfolio

About Me (4-5 sentences)

My name is _____ and I am currently a _____ at Colony High School in Ontario, California. I am involved in (list clubs, sports, activities inside or outside of school). Or tell a story here that describes you. Also, include a picture personal to you in between the paragraphs of your writeup here (use text wrap).

What You Will See In My Portfolio (3-4 sentences)

Introduce the viewer to the designs they will see with regards

to both your Photoshop & Illustrator work. Also explain that most projects will show an artist statement and explain what they are (don't just say "they are something Parslow makes us do").

Dedication (3-4 sentences)

Somebody in your life has been a huge inspiration to you throughout the year or for you seniors, all four years here at Colony (family member, teacher, friend, etc.). I want you to dedicate your portfolio to someone special in your life and explain why they were important to you. My hope is that you will then show your portfolio to this person you're dedicating it to.
